

2.25.2020 CC Notes

Dear Families,

I am in the process of assigning parts and the singers know which part they sing on 2 of our songs; Oh Susanna and The Music of My Soul. I am sending pdf's of all the music so singers can practice outside of rehearsal. I will work on making practice recordings also.

I cannot thank you enough for having your singer practice outside rehearsal. Singers who put in extra time feel confident and comfortable with their part and how it harmonizes with other parts. It makes the whole group sound their best!

Have a great weekend and I'll see you all Tuesday!

Best,

Ms. Sant
